## ABOUT TASTE OF TENNESSEE PUBLIC HOUSE

---

Taste of Tennessee Public House is the brainchild of Willem Nel, avid collector of not only the Jack Daniel's brand, but a variety of other fine whiskeys and liquors as well. His whiskey and memorabilia collection is worth a fortune and is partially housed here at Taste of Tennessee for the public to enjoy.

Willem currently owns two successful businesses, Eljoney Executive Body Repairs since 1990 and USA Towing since 2015. Opening a classic American style pub has been on his mind for a long time, and was pushed into reality after a trip to the States in 2014, where he got to visit the Jack Daniel's distillery in Lynchburg, Tennessee.

His love for authenticity led to the creation of handcrafted pieces of furniture made of the finest wood and real Jack Daniel's Tennessee barrels. Along with unique artworks and hearty food, it promises to make Taste of Tennessee Public House a unique experience.

THE JACK DANIEL OATH

I pledge my allegiance to Jasper Newton Daniel.  
And to the cave spring in front of which he stands.  
One product, charcoal mellowed, and never bottled before its time.  
I promise to always sip, and never gulp.  
These things I do in the name of the corn,  
barley, malt and rye.  
So help me JACK!
